CALUMET

January 2019

A letter from Ann Scott Garner, Governor General

Dear Daughters,

As we were preparing to travel to Greenville, SC last September, Hurricane Florence was moving towards the Carolina coast with great gusto. Thinking of the safety of our members, it was deemed prudent to cancel the Annual Council. The hotel graciously allowed the South Carolina Society CSDIW to cancel its contract for food and beverages and the hotel rooms in its block. The hotel was able to use the rooms that our members would have used to house evacuees from surrounding areas.

Sincere appreciation goes out to Mari Noori, chairman and the South Carolina Society for agreeing to host the Annual Council. We thank you for all of your efforts and wish all of you the best.

Where has the time gone? Springtime will be here before we know it and we will gather in the District of Columbia at the Army Navy Club for the annual spring meetings.

Due to the cancellation of our Annual Council, the society will elect its officers for the April 2019-September 2020 term on April 4th, 2019 at specially called meeting, prior to the regularly scheduled Board of Directors and Spring Board meetings. Please plan to attend this special meeting at 9 a.m. to elect your new officers. See below for complete information.

I am most grateful for each of the donations given to our two scholarships. Thank you to each and every one of our donors, you truly make a difference

Please continue to keep our military personnel in your thoughts and prayers.

I am thankful for each CSDIW daughter and for the blessings you have brought to my life. Together we are making difference. Your support and enthusiasm for CSDIW has made my term as Governor General very special. Thank you for allowing me to serve as Governor General of this most worthwhile society.

In the Bond of Peace,

Watching Woman with Tearing Eyes
Ann Garner, Governor General

OFFICERS GENERAL REPORTS

SECOND DEPUTY GOVERNOR GENERAL

I am continuing the work on Volume 3 of the Lineage book. I have received scandisks of all applications from Application 1 through the supplementals for the last four administrations. I will finish the volume when I receive the last of the Registrar Generals applications following Annual Council in South Carolina. I have been in contact with Lynda Moreau who is working with a publisher. We will be ready to go to press as soon as I finish the last of your administration's applications and supplementals.

All applications from your administration will be taken to the History Center for storage.

It has been a pleasure to serve in your administration.

Julia A. Farrigan

RECORDING SECRETARY GENERAL

This Officer attended the Continental Spring Council in Washington, D.C. in April 2017 as an Alabama delegate and as a General Officer.

This Continental Society Officer attended the Annual Council in Richmond, VA September 16, 2017. This officer keeps the roll of the society. And when called upon, does what the Governor asks her to do.

This Officer recorded minutes of the meetings, received, and compiled the officer and chairmen reports. These reports have been recorded and sent to Calumet Chairman for publishing.

This Officer has participated in the preserving and marking of historical sites. She has presented twenty-three programs for various heritage and educational groups during the past year as a good way to tell our heritage story.

This Officer has enjoyed serving the Continental Society as Secretary General for 2016-2018. It has been an honor to serve the Continental Society and the Garner administration.

Annette Edgeworth Smith

REGISTRAR GENERAL

This officer attended the General meeting in September and was pleasantly surprised to be greeted by a number of members singing Happy Birthday as I arrived late in the evening. This officer has been busy. There have been 147 new applications approved since the last Spring Board meeting April 2017. All applications have been digitized, members sent their Certificates, vital records returned and State Registrars sent their copy of applications. The database has been kept up to date and all appropriate officers notified of any action taken. I am pleased to report that during this time period there has been two State Societies organized. Each State Society had over 30 members verified.

All supplementals were referred to the Supplemental Registrar General and all Member-At-Large applicants were referred to the Member-At-Large Chairman or processed when sent to this officer. Transfers, resignations, and deaths have been reported to the appropriate officers.

This officer is pleased to be of assistance to anyone inquiring of membership in our Society. In the course of this office, she has processed numerous requests by sending them to the appropriate state societies.

Thank you for the opportunity to serve.

LIBRARIAN GENERAL

You Daughters really look good. It is wonderful to report successful travel this Spring. No bad storms or rerouting and cancellations of plane. 2017 was my first experience of missing whole days of meetings due to airport shutdowns. Hopefully, it is my last, and not to be mentioned again.

This officer has communicated with the Governor General and others as needed. Requests continue to be made for books, monies or documents to libraries across the nation. Priorities are for Indian schools but also local schools and universities as well as public libraries. Members know or are encouraged to identify the needs in your areas and to help fill those needs.

Members are also encouraged to submit photos and articles of your donations and activities to the CALUMET so all members may learn of your contributions.

STATE SOCIETY CSDIW REPORTS ARKANSAS

Pictured are the ladies who attended our meeting at the Canvas Restaurant, Arts Center in Little Rock on Wednesday, February 7. We meet twice a year with Baseline-Meridian Chapter Daughters of 1812 and Dames of the Court of Honor.

Besides supporting Bacone College for Indians in Muskogee, Oklahoma, we voted to purchase an annual sponsor membership to the Sequoyah National Research Center in Little Rock, Arkansas. Their mission is to preserve the writings of Native North Americans. The Center collects the writings, art and other forms of expression by Native Americans. Led by Dr. Daniel F. Littlefield, this archive provides an excellent research facility. They publish a newsletter four times a year and have an annual summer intern program for Native American students.

The Governor represented the Society at the U.S.D. 1812 State Council, the George Washington Birthday Luncheon and the National Society Colonial Dames XVII Century 70th Anniversary celebration. All were held at the Hot Springs Country Club. She also maintained a vendor table at the Arkansas Genealogical Society Seminar in October at Benton.

We continue to strengthen our society.
Mary-Reid Warner, Governor

DISTRICT OF COLUMBIA

The District of Columbia State Society is growing. Since the Annual Council meeting in September, we have gained one new member by application, bringing our total membership to 27. In addition, a membership application is ready to go in the mail as soon as the Registrar General returns home. This Governor is constantly on the prowl for prospective members, and she has her sights set on several. Sadly, we lost one cherished 100-year-old member just before Christmas.

We meet one time a year, at the end of the summer. At our annual meeting last August, we had an outstanding speaker, a Certified Genealogist and Certified Genealogical Lecturer. Using her extensive experiences, she described how we can use DNA effectively to answer some of our most puzzling family history mysteries.

The District of Columbia State Society is proud of our member, Adele Bowyer, who serves the Continental Society as Assistant Registrar General.

Margaret "Mary" Russell, Governor

GEORGIA

Since annual council in Virginia, we have had a very successful State Council. Our newest member, Beverly Baker presented our program entitled "The National Guest". Our National Guest was Lafayette on his last trip to the United States at the request of the president.

When he arrived in Creek Indian territory he was widely received. Since annual council we have had an increase in membership plus many inquiries.

I traveled with our Governor General to Lexington, KY where I assisted with the chartering of the Kentucky State Society. We were the guests of Kentucky DAR for the State Officers Dinner.

Christine Napier, Governor

KANSAS

Our Kansas State Society has twenty-two members. One of our members, Katherine Lucille Campbell died September 11, 2017. We increased our membership by two members, Diana Turner and Lillian Kay Snodgrass this year. We have about twelve potential members.

We had a field trip July 15, 2017 going to the Oz Museum, in Wamago, Kansas. We had to move the date of our meeting for a Daughters of the American Revolution Conference held in Kansas City, Missouri, and in 2018 our field trip will be moved to July 21st 2018, again for the DAR Conference in Kansas City. We plan to visit the Shawnee Indian Mission, in Fairway, Kansas with a visit to Stroud's Chicken Dinner Restaurant for a short meeting.

Our chapter met October 21, 2017 at the Hereford House for a meeting/luncheon and the program presented by Lavone Anglen, Kansas Governor on the Indian Mounds at the Ocmulgee National Monument in Macon, Georgia.

Lavone Anglen, Governor

KENTUCKY

The Kentucky Society held its Charter Meeting March 22, 2018 at the Hilton Downtown Lexington Hotel. Kentucky Society has thirty-three organizing members with many prospective members working on their applications. To date three scholarship pins have been purchased, one in 2017 and two in 2018. We have one Life Member. Kentucky Society has a CSDIW banner and is acquiring a United States Flag and Kentucky State flag for our meetings. The charter has been framed and will be on display at all meetings that will be held jointly with Wilderness Road Company, Jamestowne Society and The Huguenot Society of the Founders of Manakin in the Colony of Virginia in May and November. We were honored to have our officers installed by Governor General Ann Garner.

Jessieanne H. Wells, Governor

MARYLAND

Although our Maryland State Society meets only two times a year, we make the most of the time we do have. We are a society of friends having a good time together.

Our June meeting was held at the Bassett Restaurant in Poolesville, MD. Many of us look forward especially to that meeting since it involves a fun ferry ride across the Potomac River at Whites Ferry. Our speaker was again Brenda Wesner, now a member, who told us the story of Quannah Parker, the son of a captured white woman who became the last principal chief of the Comanches. Sarah Hardy added additional information from stories told by her grandfather who knew the chief well.

In September Registrar Virginia Rouse and I attended the national meeting in Richmond, Virginia. We had a lovely time meeting national officers and other society members. I gave a report on the status of our Maryland Society and Virginia gave a donation of \$1000.00.

Our January 2018 meeting was at the home of Margaret Stromberg. As the program, each member was asked to give a short history of their family involvement with Indians. The result was we heard many fascinating stories of a myriad of different types of experiences ranging from kidnapping and torture to close friendships from Massachusetts to Texas.

A project of our society in 2017 was to donate funds for books at the Red Cloud School in the Pine Ridge Reservation. This year we agreed to explore possible support to Maryland Indian tribes, especially those on the Eastern Shore. A new member of our society, Allison Hoopes, has offered to look into this for us.

Currently we have forty-two members and two prospectives.

Janice Welch, Governor

MICHIGAN

The Michigan Society met three times during 2017. This officer spent time acquiring a flag pole, cord, tassel, spear for the top, and a base to display our new banner. This officer has made carrying cases for these new items.

Michigan has increased their membership by 5 and had 1 supplemental approved since the September 16, 2017 meeting. Not bad for not having a Registrar!

This officer has purchased \$370 insignia for her personal use.

This officer scanned 438 pages of historical documents. The society is searching for a place to store these records so they will be available for research use. In addition all applications have been scanned and are kept in books marked active and inactive members.

Susan Moritz, Governor

NEVADA

The Nevada State Society proudly receives its charter today with 38 members. Nevada Daughters have recruited applicants and worked with them to provide the proofs necessary for membership. Many prospectives continue to work towards the completion of their applications.

The goals of this Society are well received by both the Native Americans living in Nevada and our communities. Local tribes are primarily the Shoshone and Paiute, many of whom live on the 28 Nevada official reservations recognized by the United States Government. Members of these tribes live in some of the most desolate parts of the state and live at a minimum subsistence level with few economic resources.

A Scholarship to attend college would be very welcome to the families of a student who is fortunate enough to be awarded ours!

At our Chartering Meeting, the featured speaker will be a grandson of Chief Crazy Horse, Shoku Clown Horse. He will deliver a "history lesson" on the Battle of the Little Big Horn from the perspective of the Native Americans. Shoku is a medicine man and a storyteller from a long line of such in his tribe.

Nevada Daughters are proud to claim membership in this Society that provides educational opportunities to our Native American neighbors. We look forward to a deeper exploration into and understanding of the culture of these indigenous peoples.

This Officer wishes to thank Governor General Ann Garner for her encouragement, Registrar General Mary Glenn for her great patience and rapid turn-around of our applications, and Organizing Secretary General Patricia Gallagher. I am happy to present a donation to the Scholarship fund.

Since this chairman's last report, 2 ladies have joined, 1 was reinstated, and 2 transferred out of their state society.

KANSAS

Kansas State has a total of twenty-five members this year. We had an addition of three new members and the loss of one member, Katherine Campbell. We added two new members the previous spring of 2017. Our meetings are held at the Hereford Steak House in Lenexa, Kansas, except for a field trip every spring. This year our spring field trip was to The Shawnee Indian Mission National Historic Landmark, in Fairway, Kansas with our meeting held at Stroud’s Pan Fried Chicken Restaurant in Fairway, Kansas. Our program meeting in October was on the “Ocmulgee, Mysteries of the Mounds” by Kansas Governor,

Lavone Anglen. Our meeting in July was election of officers and all our officers are remaining for the next two years except for Registrar. Our installation of the new officers for 2018-2019 will be at the October meeting and we will be using prayer sticks for our ceremony. Our Kansas Society is now in compliance with the tax-exempt status thanks to our treasurer, Martha Gunn who spent months trying to get this tax-exempt status reinstated at a terrible cost to our chapter. The cost to our chapter for the 990N reinstatement was a total of \$275.00, with a total cost of \$364.00 to our chapter.

Martha Gunn tried to work with the IRS, a lawyer, and finally a Kansas Senator who was able to get us to comply with reinstatement. Our chapter was not at fault for not being in compliance, as we understand this was a past national problem. Our Kansas Society will combine with Kansas Colonial Dames XVII Century for our October meeting as we have many of the same members and we will be together for only the program and the luncheon.

The charter was presented to Kentucky along with individual certificates for each charter member. Starting in May, Kentucky Society, CSDIW will meet jointly with Wilderness Road Company, Jamestowne Society and Kentucky Branch, Huguenot Society Founders of Manakin in the Colony of Virginia at Spindletop Hall, Lexington, KY. Our Maryland Society had its second meeting of 2018 on June 14th at Bassett's Restaurant in Poolesville, Maryland with 16 ladies in attendance. After an enjoyable ferry ride across the Potomac at full spate, the Virginia members joined our Maryland members for a lovely luncheon and the installation of officers for the next term. After officer reports and a report on the Annual Spring Council meeting of CSDIW in Washington DC, the installation was held. Installed were Margaret Stromberg as Governor, Jan Welch as 1st Deputy, Allison Hoopes as 2nd Deputy, Trudy Tanzillo as Chaplain, Krystal Apelquist as Recording Secretary, Sarah Hardy as Corresponding Secretary, Suzanne Fichter as Treasurer, Virginia Rouse as Registrar, Donna Porcaro as Historian, Susan Holden as Librarian, and Jennifer Smith as Parliamentarian. Our program was a talk by Barbara Huff, a nationally known historian, lecturer, teacher and author, on the "Origin and History of the Tomb of the Unknown Soldiers at Arlington National Cemetery. Even though we all live relatively close to the national cemetery and have visited many times, we all learned new and interesting facts from Mrs. Huff.

Jane N. Smith, Governor

SOUTH CAROLINA

The SC State Society Daughters and their guests enjoyed a beautiful spring day in March touring the National Park site of Fort Moultrie on Sullivan's Island. We began at a map inside the Visitor's Center where our guide gave us the history from earliest times through the famous defeat of the British warships on June 28, 1776, a date we celebrate yet today as Carolina Day. One of the stops on the walking tour of the fort was the gravesite of the Seminole warrior Osceola. We learned of his capture by trickery – he had come forward under a white flag to negotiate a truce – and that he became a local celebrity while at Fort Moultrie. Our tour was followed by lunch and was well attended; four prospective members were included.

After the tour, we enjoyed lunch at a Sullivan's Island restaurant and held an informal meeting to discuss plans for the National Council to be held in Greenville, SC in the Fall.

Our membership has grown to 51 members, and there are 5 prospective members working on their applications.

The 2018 Annual meeting was held in Charleston, SC, at the Water's Edge Restaurant. Thirty (members and prospective members) were in attendance for the meeting which included the election of the slate of officers for the next administration.

Newly elected SC Society Governor, Mari Noorai gave an overview of the upcoming 2018 National CSDIW Council in Greenville, SC. We look forward to welcoming the Continental Society Daughters of Indian Wars to South Carolina.
